AIMS HEALTHCARE COLLEGE

Sexual Violence and Harassment Action Plan

Official College Policy, Prevention Standards & Incident Reporting Protocols (Ontario)

1. Policy Statement & Institutional Commitment

AIMS Healthcare College is committed to providing its students, faculty, and administrative staff with an educational and working environment free from sexual violence and harassment. The College treats all individuals who report incidents of sexual violence with dignity, compassion, and respect, ensuring their right to safety, confidentiality, and fair due process.

AIMS Healthcare College has adopted this Sexual Violence and Harassment Action Plan in full compliance with the Ontario Ministry of Colleges and Universities legislative framework, including the Private Career Colleges Act and relevant provincial human rights codes.

2. Definitions & Scope

This policy applies to all current students, prospective students, instructors, staff members, contractors, and visitors. It encompasses conduct that occurs on campus grounds, at clinical practicum partner locations, college-sponsored events, as well as digital or remote learning environments.

Sexual Violence: Any sexual act or act targeting an individual's sexuality, gender identity, or gender expression, whether physical or psychological in nature, that is committed, threatened, or attempted without consent. This includes sexual assault, sexual harassment, stalking, indecent exposure, non-consensual sharing of intimate images, and gender-based harassment.

Consent: An active, direct, conscious, voluntary, and revocable agreement to engage in sexual activity. Consent cannot be given under coercion, intimidation, intoxication, or abuse of power or authority.

Complainant: The individual who has reported or experienced an alleged incident of sexual violence or harassment.

Respondent: The individual who is alleged to have committed the incident of sexual violence or harassment.

3. Confidential Reporting & Designated College Officer

Any student at AIMS Healthcare College may file a report or formal complaint regarding an incident in writing or in person. Students are encouraged to speak directly with the designated College Representative:

Designated Reporting Officer:	Imran Qureshi — Campus Director / Administrator
Institution:	AIMS Healthcare College
Campus Address:	309-800 Queenston Road, Stoney Creek, ON L8G 1A7
Direct Phone:	(905) 525-5111
Official Email:	info@aimshealthcarecollege.com

4. Immediate Medical Support & Academic Accommodations

Upon receiving a disclosure or report, AIMS Healthcare College will prioritize the immediate well-being and safety of the complainant. Regardless of whether a formal complaint or police report is filed, the College will facilitate:

- Immediate access to professional healthcare and specialized trauma counseling services.
- Academic accommodations, including assignment extensions, schedule adjustments, or leaves of absence.
- No-contact directives or safety measures between parties during any pending inquiry.
- Complete protection against academic or financial penalties associated with required safety accommodations.

5. Investigation & Fair Disciplinary Procedures

A complainant retains the autonomy to choose whether to participate in an internal college investigation, file a criminal complaint with regional police, or pursue human rights remedies. When an internal investigation is requested:

- The investigation is conducted promptly, impartially, and thoroughly by designated trained personnel.
- Both the complainant and respondent are provided fair opportunity to provide evidence, statements, and retain an advisor.
- Disciplinary measures for proven violations may include formal written reprimand, mandatory training, suspension, or permanent expulsion from AIMS Healthcare College.

6. Strict Protection Against Reprisal

AIMS Healthcare College strictly prohibits any form of retaliation, threat, or reprisal against any student or staff member who reports an incident, participates in good faith as a witness, or supports a complainant. Any individual found engaging in reprisal will be subject to immediate disciplinary expulsion.
